Parks and Cultural Activities

It is with great pride and excitement that the City of Alexandria, Department of Recreation, Parks and Cultural Activities introduces a **ANew@ Competitive Cheer Program**. The Alexandria Titans will compete at several local competitions in the Metro Area throughout the 2009 - 2010 cheerleading season. This team will be comprised of Alexandria residents, ages 10 - 16 years old with the desire, dedication, and commitment to excel in the sport of cheerleading.

The program will be geared towards cheerleaders who are ready and willing to commit their time and focus, to building a competitive Varsity recreation level team to represent the City of Alexandria. There will be fees that are associated with this specific team. Fees will cover the cost for the uniform package, competition registration fees and any additional fees that are incurred for travel. This team will compete in at least 3 - 4 local competitions and will perform as a special guest at the Annual Cheerleading Competition in April.

All interested persons must attend the mandatory clinic from 1pm - 4pm and the skills assessment from 4:15pm - 5:30pm, at GW Middle School on Saturday, September 26, 2009. Following the skills assessment, all persons who have made the team will have to attend a mandatory orientation with their parents on a designated date.

Please note this is an **OPTIONAL** program for cheerleaders ages 10 - 16, who are interested and ready to take their skills to the next level! All persons interested in the Varsity Recreation teams will **NOT** be required to take the skills assessment part of the clinic.
